

Tic Tac Letters

Your TAC has now made your decisions. You have granted time to two abstracts and rejected four of them. Now you need to notify the people of your decisions.

Below you are given the names of the astronomers who submitted the projects. You will now need to write letters to each astronomer informing them of your decision. If you rejected their abstract, you will need to explain why.

Proposal Number 06-01E
Proposal Title Ionized Hydrogen in Eta Cygni
Astronomer Name Dr. Hebe Jebes
Institute Name Juno Science Inc.

Proposal Number 04-12B
Proposal Title Methane in the Atmosphere of Saturn
Astronomer Name Dr. Luna E. Klips
Institute Name University of Selene

Proposal Number 05-03H
Proposal Title Galilean Moons
Astronomer Dr. Orion Izcool
Institute Name Heros Research Corp.

Proposal Number 12-47D
Proposal Title Young Galaxies
Astronomer Dr. Cyrus Clops
Institute Name American Association of Opt homology

Proposal Number 11-31A
Proposal Title Asteroid Impact on Earth
Astronomer Dr. Art Imis
Institute Name Apollo Science Consortium

Proposal Number 10-02G
Proposal Title Planets around Other Stars
Astronomer Dr. Maria Dark
Institute Name University of the Highlands
